
帰国留学生元学生会員および指導教員の皆様へ

第 138 回森林学会大会（沖縄）学会企画：
帰国留学生元学生会員の国際交流ポスター発表のご案内

コーディネータ：尾張敏章（国際交流担当理事、東京大学）、大久保達弘（東北農林専門職大学）、板谷明美（三重大学）、櫃間岳（森林総研）、大田真彦（長崎大学）、LAHRSEN Steffen（東京大学）

ポスター発表：全日（2027 年 3 月 14 日-3 月 17 日）

日本森林学会には、多数の留学生が学生会員として所属し、発表を行なっている。しかし、会費負担等の関係から、帰国後は本学会を退会し、関係が疎遠になる場合が多い。また、外国会員の割合も高くない。本企画では、すでに本国に帰国した元留学生会員への学会参加・発表機会を提供するとともに、今後の国際交流に向けた意見交換を予定している。参加者（帰国留学生会員）から事前に提出されたポスター発表を、学会の全日程、非同期（オンデマンド）形式で公開する。現在日本の大学に所属している留学生会員や日本人会員にも、積極的に参加して頂きたい。

締切日時：
2026 年 11 月 13 日（金）23:59　ポスター発表申込
2027 年 01 月 12 日（金）23:59　講演要旨提出
2027 年 03 月 05 日（金）23:59　ポスター提出

ポスター発表申込オンラインサイト：

Relevant Event in the138th JFS Annual Meeting@Ryukyu: International Exchange Poster Presentation by Former International Student Members

Coordinators: International Exchange Promotion Committee (OWARI Toshiaki (Director of International Exchange Promotion Committee, JFS; Univ. of Tokyo), OHKUBO Tatsuhiro (Tohoku Professional Univ. of Agriculture and Forestry), ITAYA Akemi (Mie Univ.), HITSUMA Gaku (FFPRI), OTA Masahiko (NAGASAKI UNiv.), LAHRSEN Steffen (Univ. of Tokyo)

Aim of this event: There are many active international student members in The Japan Forest Society. However, due to the burden of membership fees and other factors, many of them withdraw from the Society after returning to their home countries, and the relationship with the Society often becomes estranged. The purpose of this project is to provide an opportunity for former international students who have already returned to their home countries to participate in the conference and make presentations, using online methods. The purpose of this event is to follow up their research after obtaining their degrees, to provide them with an opportunity to present their research at academic conferences, and to form the seeds of international joint research among former international student members and with Japanese members. The poster presentations submitted in advance by the participants will be opened to the public on site and an asynchronous (on- demand) format during the entire meeting. We hope that international student members who currently belong to universities in Japan and Japanese members (ex. former supervisor of international students) will actively participate in the meeting.

To former international student members:

Participation of former international student members will be free of charge. An asynchronous poster presentation session will be combined. Poster presentations will be open during the whole dates of the conference of JFS. Participants will be required to prepare a poster presentation by the beginning of March. Due to applying an online style, just a general A4 size JPEG file will work. Poster contents may include current research topics, potential fields of collaboration, working involved or any other current situations if participants have been outside the academia, etc.

Important deadlines are as follows:

A. If **participants (for former international student members)** will give a poster presentation:

1. Register through the present Google Form by 23:59 on 13 November 2026 (GMT+9). The poster presentation title is required.

2. Submit the abstract (less than 130 words in English) of the poster presentation by 23:59 on 12 January 2027 (GMT+9). The method of submission will be informed at a later date.
3. Prepare the poster presentation by 23:59 on 5 March 2027 (GMT+9). The method of submission is as follows.

   Online registration site (Google Form) :

   https://forms.gle/QAvpCrqdZD6cKV5g7

   Contact: ITAYA Akemi, E-mail: itaya@bio.mie-u.ac.jp

B. Instructions for Poster presentations (for former International Student Members)

•All poster presentations will be conducted online.
•Poster file format for online presentations: Poster files must be submitted in advance. The file format should be **PDF (A4 portrait)** and the file size should **not exceed 20MB**. Video files with sound cannot be used.
•Presentation method: Poster files submitted in advance will be displayed on the conference's online platform. During the conference, the poster files will be available for on-demand viewing by conference participants.

•Q&A session: Q&A session via chat will be available during the poster display period.

(Important) Please note that all posters will be made available online to the conference participants (you cannot withdraw from the online viewing).

(Important) Please note that even if you display your poster at the in-site venue, fee payment will be required as Non-member. And if the poster file has not also been uploaded to the conference's online platform, it will not be officially counted as a conference presentation.
